Directions to Trinity Hall

By Road

If you are driving to Cambridge, please note that several roads in and around the city centre have restricted access and are open only to buses and taxis or at particular times of the day. These routes are protected by rising bollards, and you are advised to take note of all warning road signs to avoid encountering them. We strongly recommend visitors arriving by car use the excellent Park & Ride services into the city centre. Parking costs £1, buses leave every ten minutes and a return bus ticket into town costs around £3.

There are Park and Ride car parks at Trumpington Road (J11 M11/A10), Madingley Road (J13 M11 Northbound only), Cowley Road (A14/A10 North) Newmarket Road (A14 Stow-cum-Quy exit) and Babraham Road (A11/A1307).

By Bus (including Park and Ride)

The main bus station is situated at Drummer Street. Turn right from Drummer Street to Emmanuel Street. Turn right again onto St Andrew’s Street with the Post Office on your left and Burger King on your right. This will bring you to Sidney Street, which is pedestrianised, and is marked by a pair of gates across the road next to Lloyd’s Bank. Take the first left at Lloyd’s Bank along a pedestrianised shopping street called Petty Cury, and then cross the Market Place to Great St Mary’s Church, opposite which you will see a large stone classical building: The Senate House. Along the right hand side of this runs the Senate House Passage, which leads directly to the Trinity Hall main gate.

By Rail

The train station is on both the Kings Cross and Liverpool Street lines from London. Outside the entrance of the station, take the City Rail Link Bus (No. 1), which departs every 5-10 minutes for the town centre. This stops in Emmanuel Street. Walk towards the Grand Arcade shopping centre main entrance, turning right into St Andrew’s Street. Carry on down St Andrew’s Street past the Post Office on your left and Burger King on your right. This will bring you to Sidney Street, which is pedestrianised, and is marked by a pair of gates across the road next to Lloyd’s Bank. Take the first left at Lloyd’s Bank along a pedestrianised shopping street called Petty Cury, and then cross the Market Place to Great St Mary’s Church, opposite which you will see a large stone classical building: The Senate House. Along the right hand side of this runs the Senate House Passage, which leads directly to the Trinity Hall main gate.
