I would be grateful if you could consider making a gift to the Trinity Hall Fund.

The Trinity Hall Fund is used to support the College in the following ways:

- Scholarships to support students from different backgrounds and in different areas of study
- Building improvements to ensure the College can continue to thrive for the future
- Technology and digital infrastructure to support learning and teaching
- Support for the College’s staff and work]

We would love to hear from you at any time to discuss how you can support Trinity Hall further.

The Revd Dr Morris, Master

“...ext the education programmes we have purposed since Trinity Hall launched its strategic plan in 2017, the educational opportunity and experience Cambridge colleges can deliver is almost unique. More than ever we need the help of those who benefitted from being at Trinity Hall in the past to help safeguard the education we can offer to our students in the future.”

There are five key project areas we have identified and our generous support, combined with the College's investment, can help us to make our goals.

I have just completed an internship during the summer of my second year in Natural Sciences. As the internship was unpaid, I would not have been able to afford it without the support of Trinity Hall.

“My family have been experiencing financial difficulties, and I was unsure whether I'd be able to afford food expenses. Thanks to the funding support, I have received, I didn't have to spend time worrying about money and so could focus on my degree.”

I am happy to support the fund, and the College has a long track record of continuing to educate and push the boundaries in research that is important work.”

Trinity Hall alumni

WHY DO WE NEED YOUR SUPPORT?

We will forever be indebted to our alumni for their continued support, which has allowed the College to build its record of excellence. Thanks to the generosity of our alumni, we are currently able to support all undergraduate students on a needs-blind basis, with no upper limit on the amount that may be awarded to any student. This means that Trinity Hall can offer a remarkable level of support to students from all backgrounds. The College has always been committed to spending roughly 1/3 of the income it receives from tuition fees to support our students. Tuition fees are determined by the government, however, so we have been unable to increase our support to keep up with increases in the cost of living. Thanks to the increase in the number of Trinity Hall students, we now need to raise an additional £6,000 per year, due to the decrease in state funding. Providing this shortfall puts the cost of education for each student by around £200 higher.

Despite the increase in numbers, Trinity Hall remains committed to ensuring that all talented individuals should be able to attend regardless of their background financial circumstances. Thanks to the generosity of alumni and donors, we are able to support graduates, who would never be able to come to Trinity Hall, with a range of bursaries and awards and prizes, which collectively offer a vital contribution to the support of students. Gifts to the College have provided financial support for a large number of undergraduate and graduate students and have helped to support academic initiatives and the renovation of college buildings. Given the current state of funding for higher education, we are ever more committed to maximising our impact.

WHAT CAN WE ACHIEVE TOGETHER?

• support teaching within the College
• continue to develop our programme of outreach
• support our Clubs and Societies by purchasing kit, publications, and travel expenses
• continue to improve our resources
• support our accommodation and the maintenance of our historic buildings

We are committed to ensuring that the recent rise in tuition fees does not deter academically able students from applying. Nowadays, students may graduate with student loan expenses which will help me in my future studies and subsequent career in the sciences.”

Trinity Hall undergraduate

We are committed to ensuring that Trinity Hall students have the opportunity to benefit from the full range of academic life. In particular, we are committed to ensuring that all undergraduate students have equal access to undergraduate education. Many of the clubs and societies are funded with generous support from alumni and graduates.

LEADING THE WAY THROUGH CHARITY SUPPORT AND ALUMNI GRANDS

Our programme of establishing the college’s international alumni network is just one example of our commitment to our alumni giving. We are committed to ensuring that all undergraduates in the sciences.

ATTACKING CHALLENGES THROUGH REFURBISHMENT EFFORTS

Whatever your alumni status, there are a number of ways in which you can support Trinity Hall and ensure that it continues to attract and support the best students. By giving a donation, you can help to support the raising of £6,000 per year, and ensure that the College can continue to be a world-leading centre of excellence.

GUARDIAN ANGEL DONATIONS

The Guardian Angel Programme is a further opportunity for students to make a tangible contribution to the future of Trinity Hall. We are committed to ensuring that all students have the opportunity to benefit from the full range of academic life. Many of the clubs and societies are funded with generous support from alumni and graduates.

ENDING OVERDUE DEBT AND IMPROVING ACCESS TO CAMBRIDGE EDUCATION

We are committed to ensuring that the recent rise in tuition fees does not deter academically able students from applying. Nowadays, students may graduate with student loan expenses, which may discourage many from applying.
