Experiencing Entrepreneurship Award
Application form 2018-19

Guidance Notes

Through the Trinity Hall Entrepreneurs Network (THEN), the College is eager to promote innovation and entrepreneurship among its members and support students who are thinking of developing their own start-ups. The Network is designed to promote opportunities for students to be involved with entrepreneurship and to develop a network of alumni to mentor students and recent graduates.

The award is designed to give current students the opportunity to experience entrepreneurship by assisting students who are (i) undertaking internships with start-ups and/or (ii) travel related to enterprise.

Students undertaking unpaid work in a start-up may wish to apply for a grant to help with accommodation/travel costs; or students taking part in entrepreneurship activities such as a hackathon may need help with travel costs.

Applications will be assessed by the Trinity Hall Entrepreneurs Network advisory group, consisting of Trinity Hall members and advisers from the Judge Business School. Maximum awards of £1,500 towards living costs and £1,000 towards travel are possible.

The award has been made possible by a donation from Graham Ross Russell (1953)
