Nathanael Lloyd Society

The Society recognises those who have remembered the College in their will and is named after the Master of Trinity Hall from 1710 to 1735 whose generosity was fundamental in improving the fabric of the College. There are currently 170 members, who are invited to an annual event in College.

Far from being an act of finality, the gift of a legacy is merely the beginning. Legacy gifts give the opportunity for a whole new generation of students to benefit from the educational and life-enhancing opportunities provided by Trinity Hall and the College is most grateful to those who have chosen to remember Trinity Hall in their will.
