

TRINITY HALL
CAMBRIDGE

Tax Efficient Giving from Canada

In order for a charitable gift to be tax-deductible in Canada, it must be to a 'prescribed university outside Canada'. The University of Cambridge is prescribed for this purpose in the Canadian tax code. We will forward on a receipt acceptable to the Canadian tax authorities which are prepared by the University.

Gifts can be by cheque payable to Trinity Hall, International Money Order, credit card or bank transfer.

Please kindly inform us when you make your donation that you would like a receipt for Canadian tax purposes.

Thank you for your support.
