Trinity Hall is seeking to employ Relief Porters to cover shifts within its busy Porters’ Lodge. Although set hours cannot be guaranteed each month it would suit those in a position to be able to cover shifts as and when the College needed them, in particular night shifts. Some requests to work (particularly to cover sickness absences) may be at short notice. In the case of covering holidays, plenty of notice will be given. A day shift will be paid at a rate of £10.00 per hour and a night shift will be £11.30 per hour.

For further information of what is involved and an informal discussion, please contact the Head Porter on 01223 332504 or e-mail irl24@trinhall.cam.ac.uk
