Tax efficient giving from Europe

“Transnational Giving Europe” is run by the Charities Aid Foundation (www.cafonline.org) and its partner organisations in several European countries. It enables alumni and organisations to make a gift to the College and receive all applicable tax benefits in the country where you pay tax.

To make a transnational gift and claim tax relief please contact your national foundation and explain you wish to give a gift to Trinity Hall. It would also be helpful if you could inform the Development Office so that we can ensure all the necessary paperwork is complete.
