WELCOME TO THE JERWOOD LIBRARY

As COVID-19 restrictions are gradually eased in the College and wider society, we are pleased to be able to remove some restrictions on using the Jerwood Library for the academic year 2021-22. Please read about the changes to the library on page 4, 5 and 6 of this booklet or access the LibGuide here: https://libguides.cam.ac.uk/trinityhall/workinginthelib

Although things are slightly different, we have the same beautiful views, resources for your subjects and staff to assist you. We look forward to seeing you in the Jerwood Library soon.

The Jerwood Library will be open **daily from 8am to midnight.**

Our website at: www.trinhall.cam.ac.uk/about/library/jerwood/ and the Library’s pages on the College intranet at: https://inthnet.trinhall.cam.ac.uk/information/library/ are full of useful information about the library. You can also find us on Facebook and Twitter with all the latest news and library updates.

We are always happy to help, so please just ask or email us at:

library@trinhall.cam.ac.uk

With best wishes from Jenni, Sophie and the Library Staff.
Staying safe in the Jerwood Library

The library will continue to operate procedures to help to keep you safe and prevent the spread of Coronavirus.

We expect you to continue to respect the University’s current guidance around the continued emphasis on Hands | Face | Space.

Please do not come to the library if you are self-isolating, feel unwell or have any symptoms of Covid-19.

A summary for using the library and the services that we are offering can be found on our LibGuide here: 
https://libguides.cam.ac.uk/trinityhall/workinginthebib

We expect you to:

Wear a face covering unless seated at a desk

Clean your desk before and after use with the spray provided

Make sure that windows are open (or air con on) to ensure adequate ventilation

Wash or sanitise your hands regularly

Thank you for helping us keep the library safe!
To help to keep you safe, we have made some changes to our library service that you should know about.

**What’s new at the Jerwood Library?**

- The Library will be open daily from 08:00-midnight.

- We have restored the number of seats back to almost pre-pandemic levels. Please continue to show responsible and considerate behaviour, in particular, being respectful of other people’s space.

- It is no longer necessary to pre-book a seat to use the study space in the library, browse the shelves or use the computers.

**What’s staying the same?**

- Face coverings are still required when entering and moving around the library (except where you have a medical exemption). They may be removed when seated at a desk.

- The Reading room will remain a socially distanced space.

- Books can be borrowed and returned as normal. We will continue to provide our Request and Collect, and Scan and Send services for accessibility and to help students who are self-isolating.

- Enhanced cleaning will take place throughout the day. Cleaning products are provided so that you can wipe down your desk before and after use.
Request and Collect service

We will continue to offer a request and collect service. To use it simply email us (library@trinhall.cam.ac.uk) to request up to 5 books or DVDs and we will reply to let you know when they will be ready for you to collect.

Your requests will be waiting on the light blue trolley in the entrance hall. If you are unable to visit the library during opening hours, we can make alternative arrangements.

Items can be collected Monday to Friday from 9:30am to 4pm only.

When collecting items, please wear a face covering at all times and be careful to keep 2 metres away from others.

Scan and Send service

You can request an individual scanned copy of one chapter (or 5%) of a book or one article per issue of a journal held in Cambridge University Libraries. If the book is held in the Jerwood Library you can request a scan using the request form here:

Loans

Registration

All new students are registered to use the Jerwood Library in advance through the University Card Office.

The Library is ONLY for the use of students from Trinity Hall. Please do not bring friends from other colleges into the library.

How to borrow

All books and DVDs must be checked out using the self-issue unit (SIU) in the Library’s entrance hall.

1. Select borrow and place your blue University Card under the red scan line (barcode facing up).

2. Place the book(s) in the square on the scan bed to register your loan(s). The title of the item and the due date will appear on the screen when the item is successfully borrowed.

If the SIU does not accept your transaction, please either contact the Library staff or if no member of staff is available please sign out your books using the borrowing forms and we will add your loans to your account on the next working day.

The Library holdings are protected by a security system. If a book has not been borrowed correctly, the alarm will sound. The alarm can cause disturbance to other students so please make every effort to borrow books correctly.

Borrowing

Undergraduates, current graduate students, Fellows and staff of the College may borrow up to 15 books and 5 DVDs at one time.

Alumni and members of other colleges are NOT eligible to borrow.

Loan period

Undergraduates have a 7-day loan period and graduates, staff and Fellows have a 28-day loan period.
Returns

You can return any Trinity Hall books to the drop box just outside the library. The box will be emptied the following day Monday to Friday by library staff and items removed from your library account. All books will be scanned back into the library system by library staff.

All other library books can be returned to the drop boxes on the Sidgwick site, the Medical Library and the University Library.

Auto renewals

Your loans will be automatically renewed on the library system 3 days before they are due, so you do not need to renew the items yourself. You will receive an email courtesy notice if items cannot be automatically renewed due to a recall request, in which case the books must be returned. The automatic renewal process will continue until you leave the University, at which point, you must return all of your library books.

You will receive a monthly statement showing all of your library loans and overdue items. If you have 2 or more overdue recalled items your card will be blocked from borrowing.

Requesting a book

You can either ask the Library staff to request a book for you or you can use ‘My Library Account’ and ‘Request the book on iDiscover. The person who has the book on loan is notified by email of the new return date and has three days’ notice before it becomes overdue. The requester is notified by email when the returned book is available.

Vacation periods

During the vacation, items you have on loan should not be able to be requested and will continue to auto renew.

Changing from term-time borrowing to vacation and vice versa happens on Tuesdays at 9.00 am. The dates for this are as follows:

2021-2022

- Michaelmas Term borrowing starts: October 5th 2021
- Christmas Vacation borrowing starts: November 30th 2021
- Lent Term borrowing starts: January 18th 2022
- Easter Vacation borrowing starts: March 15th 2022
- Easter Term borrowing starts: April 26th 2022
- Summer Vacation borrowing starts: June 14th 2021
Overdue loans

To make sure that books are returned on time so that other readers have fair access to them, charges are levied on all overdue recalled items.

Overdue charges

The charge for overdue recalled items is £1.00 per item (book or DVD) per day.

Once the charge reaches the level of £5.00, the amount is added to your College bill at the end of term.

Lost items

Borrowers will be charged the full replacement cost of any books or DVDs they have lost.

Recommendating a book

To recommend a book you can either complete the online book recommendation form at:

or fill out one of the forms next to the self-issue unit in the Library entrance hall. Once your request has been approved, we will order the book for you. We will notify you by email as soon as the book is available.

Classmarks

Most of the Jerwood Library’s books are classified using the Dewey classification scheme. These numbers are on the spines of the books and tell you where to find them in the library.

The first element is a decimal number, followed by the first three letters of the author or editor’s name, for example:

551.457 BIR

The Law Library is classified using Moys. The Law Library class-marks all begin with K followed by a letter (A-Z), a whole number and the first three letters of the author’s name, for example:

KA500 MAR

Large volumes are shelved on the Lower Ground Floor and books are classified with the letters LV in brackets at the end of the classmark with a red tag: (LV)

If you have any difficulty finding a book, please ask the Library staff for help.

It houses a collection of manuscripts and rare books, the oldest being a Life of St Martin of Tours created in c.1050.

The Old Library is open for students at General Admission. If you wish to visit at any other time please make an appointment at least two weeks in advance.
