- 12.11 The Regent House assessors sitting as members of the Appellate Committee shall not have the right to vote on any issue which the Committee has to determine.

Informal action

- 12.12 Subject to Ordinance 12.13, conduct, performance or capability or other issues, relating to a Junior Member and capable of informal resolution, should where appropriate be dealt with informally by the Junior Member's Tutor or by the Senior Tutor or, if the Senior Tutor considers it appropriate to delegate the matter, by his or her delegate. The informal resolution of issues of conduct that are subject to consideration under the Code of Discipline should be dealt with as provided in that Code.

Formal procedure

- 12.13 If informal resolution under Ordinance 12.12 is not successful or the Senior Tutor is of the opinion that formal action is more appropriate, then:
- 12.13.1 if the issue is one of conduct, the Senior Tutor shall refer the matter to the Dean of Discipline to be dealt with under the Code of Discipline; or
- 12.13.2 if the issue is one of performance or capability, the Senior Tutor shall institute such investigations into the issues as he or she considers necessary and if, and as soon as, appropriate, institute formal proceedings by written notice to the Master, with a copy to the Junior Member, outlining the matters which, in the opinion of the Senior Tutor, could, if sufficiently proved, merit action under Statute 12.2; or
- 12.13.3 if the issue is a mixed one of conduct and of performance or capability, the Senior Tutor shall seek a direction from the Master as to the manner in which to proceed.
- 12.14 After receipt of a notice under Ordinance 12.12.2 from the Senior Tutor, the Master shall refer the issues, as he or she deems appropriate:
- 12.14.1 to the Governing Body (excluding all members of the panel in 12.1.2); or
- 12.14.2 to the Junior Members Committee.

- 12.15 If the issues have been referred to the Governing Body (excluding all members of the panel in 12.1.2) under Ordinance 12.14.1, the Governing Body may consider the issues itself or at any stage refer them to the Junior Members Committee.
- 12.16 A reference to the Junior Members Committee under Ordinance 12.14.2 or under the Code of Discipline shall be made by requiring the chair of the panel in Ordinance 12.1.1 to appoint the minimum number of Committee members as required by Ordinance 12.7 and the relevant papers being provided to the Committee so appointed. The chair of the Junior Members Committee shall decide whether and which Junior Panel Members to invite to join the Committee.
- 12.17 The body to which the issues have been referred shall convene a hearing or hearings to consider the issues and shall invite the Junior Member to attend and respond to the issues, save that the Governing Body need not conduct a hearing if it refers the issues to the Junior Members Committee under 12.4.
- 12.18 If the Governing Body (excluding all members of the panel in 12.1.2) or the Junior Members Committee dealing with the matter finds that grounds have been sufficiently established, it will decide whether to take action under Statute 12.2 and, where appropriate, whether an application to the University to permit the Junior Member to continue studies in the University could be supported by the College.
- 12.19 The chair of the Committee, or, where a decision has been taken by the Governing Body, the Master, will notify the Junior Member in writing of the decision and, if the matter has not been dismissed, of the right to appeal against that decision.

Appeals

- 12.20 A Junior Member may appeal against a decision made under Ordinance 12.18 by written notice delivered to the Master setting out the grounds for the appeal. The time limits for lodging an appeal will be those determined by the Governing Body. The Master or the Appellate Committee has power to allow an appeal lodged after time limit to proceed to hearing if they consider that justice and fairness so require in the circumstances of the case.
- 12.21 The Master may, in his or her discretion, stay implementation of the decision made under Ordinance 12.18 pending the decision on appeal.
- 12.22 On receipt of a notice of appeal from a Junior Member, the Master shall require the Chair of the panel under Ordinance 12.2.2 to appoint the minimum number of Committee members as required by Ordinance 12.8. The chair of the Appellate Committee so constituted shall decide whether and which Junior Panel Members to invite to join the Committee.
- 12.23 The Appellate Committee shall convene a hearing or hearings to consider the appeal and to consider any further representations made by the Junior Member in writing or in person.

- 12.24 If there is no re-hearing of the evidence, the Appellate Committee shall not substitute any sanction more onerous than the sanction imposed by the Junior Members Committee or by the Governing Body against whose decision the appeal was brought.
- 12.25 The chair of the Appellate Committee shall report the decision of the Appellate Committee to the Junior Member, the Master, the Senior Tutor and, if the matter has been dealt with under the Code of Discipline, to the Dean of Discipline.

Precautionary or emergency measures

- 12.26 If there is just and sufficient need, then:
- 12.26.1 the Senior Tutor may, before or on commencing investigations or at any time while formal procedures are in process, exclude the Junior Member from College and/or University premises for such period or periods as are reasonable necessary or take other appropriate action in relation to the Junior Member or other Junior Members involved in the issues; or
- 12.26.2 The Dean of Discipline may put in place precautionary action in accordance with the Code of Discipline in any matter dealt with under that Code.

Procedures of the Committees or of the Governing Body: generally

- 12.27 The Committees and the Governing Body may each regulate their own procedures, making such inquiries, interviewing such witnesses and seeking such advice as they consider necessary and bearing in mind always the interests of fairness, and may appoint a person to attend any meeting or hearing as note-taker.
- 12.28 The following guiding principles will apply to the conduct of procedures under this Ordinance:
- 12.28.1 there should be no unreasonable delay in the commencement or conduct of the procedure or in the delivery of written notice of the outcome of the procedure;
- 12.28.2 the Junior Member should be informed in writing, as soon as practicable, of the nature of the proceedings and of any accusation against him or her;
- 12.28.3 the confidentiality of all persons involved in the procedures must be maintained as much as is reasonably possible;
- 12.28.4 there will be a presumption of innocence until the contrary is proved on the balance of probabilities.
- 12.29 The Junior Member may be accompanied or represented at a hearing and at any investigatory meetings prior to the hearing by a person of his or her choice who falls within an approved category determined by the Governing Body, provided that that person is willing to act and is approved by the Master. If the Junior Member wishes to be accompanied or represented by a person outside an approved category, the Junior

Member must apply for the consent of the body or person conducting the hearing or investigatory meeting, as the case may be.

- 20.11 Subject to these Ordinances, a committee or person/s responsible for determining a matter under Ordinances 21 to 27 may regulate its own procedures, making such investigation or inquiries, seeking such advice as is considered necessary and bearing in mind the interests of fairness and may appoint a person or persons to attend any meeting or hearing as note-taker or to present the case against the Affected Master or the Affected Fellow.

- 20.12 The Affected Master or Affected Fellow shall be allowed to be accompanied at any formal meeting in the course of a procedure under Ordinances 21 to 27 by another Fellow or by a trade union official of his or her choice, where he or she reasonably requests to be accompanied.

ORDINANCE 21

FELLOWS: DISCIPLINARY PROCEDURES WITH SANCTIONS OTHER THAN REMOVAL

Application

- 21.1 This Ordinance 21 applies to discipline of a Fellow, outside any probationary period, for misconduct or for unsatisfactory performance or for issues of capability or other matter where the disciplinary sanction may take the form of a warning or other reasonable and appropriate action or penalty other than Removal.
- 21.2 Misconduct will include, but not be limited to, breach of any College policy or code of conduct issued by the Governing Body whether included in a Handbook or issued separately.

Informal action

- 21.3 Minor misconduct, performance or capability or other issues, whether relating to an Affected Fellow's Fellowship or relating to any College Office or employment held by the Affected Fellow, should be dealt with informally by the Master or, if the Master considers it appropriate to delegate the matter, by his or her delegate.

Formal procedure

- 21.4 If the Master is of the opinion that formal action is more appropriate or if the Master has not been able to resolve the issues informally under Ordinance 21.3, he or she shall:
- 21.4.1 institute investigations into the issues as appropriate;
 - 21.4.2 inform the Affected Fellow in writing of the issues of concern;
 - 21.4.3 invite the Affected Fellow in writing to attend a formal hearing before the Master and inform the Fellow of his or her right to be accompanied in accordance with Ordinance 20.12;
 - 21.4.4 give the Affected Fellow an opportunity in the hearing to respond to the issues raised.
- 21.5 The Master will notify the Affected Fellow in writing of the outcome of the hearing and, if the matter has not been dismissed by the Master, of the Affected Fellow's right to appeal.
- 21.6 The outcome of the hearing, if the matter is not dismissed, may be an oral or written warning or other reasonable penalty, other than Removal.

ORDINANCE 22

MASTER AND FELLOWS: PROCEDURE FOR REMOVAL FOR REASON

Application

- 22.1 Save as provided under Ordinance 22.2, this Ordinance 22 applies to the consideration, in relation to a Master or a Fellow, outside any probationary period, of any or all of:
- 22.1.1 removal from Mastership or from Fellowship for Reason;
 - 22.1.2 removal from a Primary College Office for Reason;

- 22.1.3 dismissal from any employment on any ground other than redundancy, incapacity on medical grounds, retirement or expiry without renewal of a limited period of employment.
- 22.2 Removal for the Reason referred to in Ordinance 1.2.4.4 that the Fellow no longer has any College Office or employment or other role in the College may be considered under this Ordinance 22 or under and as part of procedures under Ordinances 23, 24 or 25.

Commencement of procedures

Relating to the Master

- 22.3 A minimum of one fifth of the Members of the Governing Body ('the Requesting Fellows') may make a request, in writing and signed by each Requesting Fellow, seeking the Removal of the Affected Master for Reason. The request must be delivered to the Responsible Person. The Responsible Person shall forthwith summon a meeting of the Governing Body, at which the Affected Master and the Requesting Fellows shall not attend unless requested to do so.
- 22.4 A Member of the Governing Body who is restricted under Statute 3.19 may not be a Requesting Fellow.
- 22.5 If the Governing Body considers that the request shows a *prima facie* case that could, if proved on the balance of probabilities, constitute good and sufficient reason for Removal of the Affected Master for Reason, it shall appoint:
- 22.5.1 a Master Disputes Committee, comprised in accordance with Ordinance 22.6, to hear and determine the matter;
- 22.5.2 where appropriate to do so, a person to investigate and report on the matter to the Master Disputes Committee; and
- 22.5.3 where appropriate to do so, a person or persons to present the request before the Master Disputes Committee.
- 22.6 The Master Disputes Committee shall comprise three persons, as follows:
- 22.6.1 as Chair, a person who holds, or has held, a judicial office within the meaning of the Constitutional Reform Act 2007 Schedule 14 Part I as amended or substituted, or who is a solicitor or barrister of at least 10 years' standing provided that the person must not be a current or former Fellow or employee of the College; and
- 22.6.2 two other persons who are not current or former Fellows or employees of the College.

Relating to a Fellow

- 22.7 If the Responsible Person (whether on receipt of a complaint or otherwise) is of the opinion that there is a *prima facie* case which could, if proved on the balance of probabilities, constitute good and sufficient reason for Removal of an Affected Fellow for Reason, the Responsible Person shall:

- 22.7.1 request the Chair of the Fellows Disputes Panel described in Ordinance 20 to select a Fellows Disputes Committee, comprised of three persons selected from the Fellows Disputes Panel, to hear and determine the matter;
- 22.7.2 where appropriate to do so, appoint a person to investigate and report on the matter to the Fellows Disputes Committee; and
- 22.7.3 where appropriate to do so, appoint and instruct a person or persons to present the case against the Fellow before the Fellows Disputes Committee.

Notifying the Affected Master or Affected Fellow

- 22.8 The Responsible Person shall notify the Affected Master or the Affected Fellow in writing:
 - 22.8.1 that proceedings to consider Removal under this Ordinance 22 have commenced;
 - 22.8.2 whether the Removal relates to all or any of removal from Mastership or Fellowship, removal from a Primary College Office or dismissal from employment;
 - 22.8.3 if the Removal relates to possible removal from the Mastership, a Fellowship or Primary Office, of the alleged Reason for considering removal;
 - 22.8.4 if the Removal relates to employment, of the alleged ground or grounds for considering dismissal;
 - 22.8.5 whether Fellowship could then terminate on the basis of a failure of a condition or on the basis of a reason falling under Ordinance 1.2.4.4; and
 - 22.8.6 of the results of any investigation.

- 22.9 The Responsible Person shall also invite the Affected Master or Affected Fellow in writing to attend a hearing before the relevant committee. The invitation must notify the Affected Master or Affected Fellow of their right to be accompanied at that hearing in accordance with Ordinance 20.12.

- 22.10 Where it appears to the Responsible Person or to the relevant committee that the conduct or capability of the Affected Master or Affected Fellow may be attributable, wholly or in part, to a medical condition, the Responsible Person or the relevant committee may decide that the matter should instead proceed under Ordinance 23 or may continue with the procedure under this Ordinance.
- 22.11 If in accordance with Ordinance 22.10, the procedure continues under this Ordinance:
 - 22.11.1 the committee may request or obtain medical reports and may appoint a medically qualified person as adviser to or as member of the committee; and
 - 22.11.2 the procedure and any penalty imposed, including Removal, will be valid notwithstanding that the matter could have been dealt with under Ordinance 23.

Committee's decision and its implementation

- 22.12 After the hearing and bearing in mind the guiding principles in Statute 6.16, the relevant committee must decide whether, on the balance of probabilities, the alleged Reason or alleged ground or grounds, as notified to the Affected Master or the Affected Fellow, is or are sufficiently well founded and whether it is reasonable in all the circumstances to enforce all or part of the Removal as specified in the notification to the Affected Master or the Affected Fellow.

- 22.13 If the relevant committee decides against all or part of the Removal, as specified in the notification to the Affected Master or the Affected Fellow, they must then decide whether it is reasonable in all the circumstances:
 - 22.13.1 to issue a warning or other appropriate penalty to the Affected Master or Affected Fellow;
 - 22.13.2 to dismiss all or part of the proposed Removal; or
 - 22.13.3 to take some other action.

- 22.14 The relevant committee shall inform the Responsible Person in writing of its decision.

- 22.15 The Responsible Person shall:
 - 22.15.1 notify the Affected Master or Affected Fellow of the decision of the relevant committee and, if the matter has not been dismissed by that committee, of the right to appeal under Ordinance 26;
 - 22.15.2 if the decision of the relevant committee involves Removal in whole or in part, inform the Governing Body; and
 - 22.15.3 implement the decision of the relevant committee.

ORDINANCE 23

MASTER AND FELLOWS: PROCEDURES FOR REMOVAL FOR INCAPACITY ON MEDICAL GROUNDS

- 23.1 A proposal for the Removal of the Master or of a Fellow for incapacity on medical grounds shall be put in writing, signed and presented to the Responsible Person. If the proposal relates to the Master, it must be signed by at least one fifth of the Members of the Governing Body. In either case, the proposal must specify whether the Removal proposal relates to any or all of removal from Mastership or Fellowship, as the case may be, removal from a Primary College Office or dismissal from employment and including whether Fellowship could then terminate on the basis of a failure of a condition or on the basis of a reason falling under Ordinance 1.2.4.4.

- 23.2 If satisfied that the proposal shows a *prima facie* case for considering Removal, the Responsible Person shall:
 - 23.2.1 inform the Affected Master or Affected Fellow in writing of the proposal and of the application of this Ordinance 23, and whether the proposal relates to any or all of removal from Fellowship, removal from a Primary College Office or dismissal from employment;
 - 23.2.2 seek any necessary consent of the Affected Master or Affected Fellow to the obtaining of a medical report or reports;
 - 23.2.3 obtain and consider medical report/s;
 - 23.2.4 advise the Affected Master or Affected Fellow of the conclusion he or she has reached after considering the medical report/s; and
 - 23.2.5 invite the Affected Master or Affected Fellow to respond in writing or in person (with the right to be accompanied in accordance with Ordinance 20.12).

- 23.3 If the Affected Master or Affected Fellow agrees that Removal for incapacity on medical grounds should be considered, the Responsible Person shall:
- 23.3.1 report the matter to the Governing Body in confidence, providing such details, as the Affected Master or Affected Fellow agrees should be provided; and
 - 23.3.2 thereafter, as he or she deems appropriate, either proceed with the proposed Removal or refer the matter to a Medical Committee constituted in accordance with Ordinance 23.5 or take some other action.
- 23.4 If the Affected Master or Affected Fellow does not agree that the proposed Removal is appropriate, or if the Responsible Person decides to refer the matter to a Medical Committee, the Responsible Person shall arrange for the appointment of a Medical Committee, constituted in accordance with Ordinance 23.5, and refer the case in confidence, with all relevant medical and other evidence (including any such evidence submitted by the Affected Master or Affected Fellow), to the Medical Committee.
- 23.5 The Medical Committee shall comprise:
- 23.5.1 one person nominated by the Governing Body, or, in default of the such nomination, by the Responsible Person;
 - 23.5.2 one person nominated by the Affected Master or Affected Fellow or, in default of such nomination, by the Responsible Person; and
 - 23.5.3 a medically qualified person (who shall be the chair of the committee) jointly agreed by the Governing Body and the Affected Master or Affected Fellow or, in the absence of agreement, nominated by the Regius Professor of Physic in the University.
- 23.6 The Medical Committee may, as it considers appropriate, make any further investigations and/or seek such further medical evidence from a medical professional or professionals other than a member or members of the Medical Committee.
- 23.7 If, having been requested by the Medical Committee to produce medical evidence or to consent to an examination by a medically qualified professional, the Affected Master or Affected Fellow refuses to do so, the Medical Committee may draw such inferences as to the health of the Affected Master or Affected Fellow as they reasonably see fit from all the evidence.
- 23.8 If, having conducted their investigations, it still appears to the Medical Committee that there is a *prima facie* case which could on the balance of probabilities constitute sufficient ground for the proposed Removal of the Affected Master or Affected Fellow for incapacity on medical grounds, it shall:
- 23.8.1 provide the Affected Master or Affected Fellow with a report on its investigations and on any further medical evidence obtained; and
 - 23.8.2 invite the Affected Master or Affected Fellow to attend a hearing before the Medical Committee and to be accompanied at that hearing in accordance with Ordinance 20.12.

- 23.9 After the hearing and bearing in mind the guiding principles in Statute 6.16, the Medical Committee must determine whether on the balance of probabilities the proposal for Removal is sufficiently well founded and whether it is reasonable in all the circumstances:
- 23.9.1 to enforce the proposed Removal of the Affected Master or Affected Fellow in full or in part; or
 - 23.9.2 to dismiss all or part of the proposed Removal, or take some other action.
- 23.10 The Medical Committee shall inform the Responsible Person in writing of its decision.
- 23.11 The Responsible Person shall:
- 23.11.1 notify the Affected Master or Affected Fellow of the decision of the Medical Committee and, if the matter has not been dismissed by that committee, of the right to appeal under Ordinance 26;
 - 23.11.2 if the decision involves Removal in whole or in part, inform the Governing Body; and
 - 23.11.3 implement the decision of the committee.
- 23.12 Any person having authority in law to act on behalf of the Affected Master or Affected Fellow shall have power so to act in respect of all proceedings before the Medical Committee or on any appeal. Any procedural requirement in relation to the Affected Master or Affected Fellow is satisfied if that requirement is fulfilled in relation to the person having authority to act on behalf of the Affected Master or Affected Fellow, whether or not it is also fulfilled in relation to the Affected Master or Affected Fellow himself or herself.
