

Did you declare a disability, neurodiverse condition, mental health condition or long-term health condition in your UCAS application?

Yes

Does your disability, neurodiverse condition, mental health condition or long-term health condition mean you will require adjustments during the admissions process (e.g extra time)?

Yes

Please complete the form. You will need to ask a teacher to sign it. You will also need to provide evidence (as outlined on the form) of the adjustments you already receive at school (but not evidence of a diagnosis).

No

Would you like to make us aware of a disability, neurodiverse condition, mental health condition or long-term health condition now? Be assured that disclosure will in **no way** adversely affect the assessment of your application.

Yes

I don't know

Please review the 'More about you' section on your submitted UCAS application via UCAS Hub and begin the flowchart again.

No

You do not need to complete this form.

No

Please complete the form. It does not need to be signed by a teacher and you do not need to provide evidence.
